COPPER LAKE ANNOUNCES CLOSING OF PRIVATE PLACEMENT

May 11, 2020 - Toronto, ON - Copper Lake Resources Ltd. (TSX-V: CPL, Frankfurt: WOI) ("Copper Lake" or the "Company") announces the closing of the non-brokered private placement of units announced on February 20, 2020 (the "Private Placement") raising a total of \$132,500 (the "Offering"). The Offering was fully subscribed and closed on May 8, 2020.

Further to its news releases on February 20, 2020 and April 13, 2020, the Company has closed the private placement through the issuance of 3,000,000 flow-through units ("FT Units") at a price of \$0.020 per FT Unit and 4,833,332 non flow-through units ("FT Units") at a price of \$0.015 per unit, for gross proceeds of \$132,500. Each FT Unit consists of one flow-through common share and one common share purchase warrant (a "Warrant"), with each Warrant being exercisable at \$0.05 for two years. Each NFT Unit consists of one common share and one Warrant.

No finder's fees were paid in connection with the offering.

The proceeds from the issuance of the FT Units will be used to incur qualified Canadian exploration expenses for exploration on the Marshall Lake property in connection with the summer drill program. Net proceeds from the issuance of the NFT Units will be used for general corporate purposes. All securities issuable are subject to a four-month hold period from the closing date.

The Private Placement has been conditionally approved by the TSX Venture Exchange but remains subject to final exchange approval.

Terry MacDonald, CEO, commented "We are very pleased to have completed the financing with the support of existing and new shareholders, and we look forward to now focusing on the completion of the spectral analysis survey, the 3D modelling and targeting, and the summer drill program at Marshall Lake."

About Copper Lake Resources

Copper Lake Resources Ltd. is a publicly traded Canadian company currently focused on advancing its Marshall Lake and Norton Lake properties located in Ontario, Canada.

The Marshall Lake high-grade VMS copper, zinc, silver and gold property, comprises an area of approximately 104 square km and is accessible by all- season road. Copper Lake has an option to increase its interest to 87.5% from its current 75% interest.
